description

- folds into sleek design
- light
- compact
- changeable size
- grows as you age
- saves space during off season
- easy to take in car for biking on trails
- more optimal for carrying in car or compactly storing than for daily commuting because the wheels can't be compacted

- bigger wheels are added as you increase the size of the bike with age (wheels not included)
- aimed toward kids/teens
- one time investment to last a decade
- comes with 2 sizes of wheels

1	head tube
2	down tube
3	top tube
